Tacky #1284

Aerosol Belt Dressing

Product Information Sheet

Features

- Improves fan and drive belts worn by age, heat and friction and lengthens belt life
- Removes grease and dirt from surface to increase traction
- Penetrates deeply into belts to keep surfaces soft and pliable
- 360° valve allows application inward to reach places
- Increases equipment efficiency
- Reduces belt slippage
- Non-staining
- Food Processing Acceptability: P1

Description

Prevent belt slippage and keep equipment running at top performance with this handy aerosol spray. It's formulated with several liquid resins that provide the necessary adhesion belts need to firmly grip sheaves and pulleys. While it is extremely tacky, it will not glaze and can be used on a variety of materials, including rubber, leather, fabric and synthetics. Resists water wash-off and performs effectively under wet conditions.

Applications

- "V" belts
- Leather
- Synthetic belts
- Flat belts
- Rubber
- Generators
- Round belts
- Fabric
- Conveyors

Directions

NOTE: In many instances protective guards must be removed in order to apply belt dressing properly. In such cases, please use extreme care to prevent accidents. Be sure to replace guards after treatment.

Apply a little at a time to inner surface of belt while machinery is in motion. Spray using a back and forth motion until the surface is completely wet. On most belts, the spray may be applied to the sheaves, pulleys, or directly onto the belt itself. Repeat occasionally to maintain full power and optimize belt life.

Product Specifications

Below Based on Aerosol Concentrate Only:	
Appearance	Transparent Liquid
Odor	Solvent
Vapor Density (Air=1)	>1
Specific Gravity (H20=1) @75°F	1.14
Solubility in Water	Insoluble
pH Concentrate	N/A
Boiling Point	190°F
Below Based on Total Contents:	
Vapor Pressure of Can (psig@70°F)	50
Total VOC %	83.81%
Flash Point	156°F (TOC)
NFPA Code 30B Rating	Level 2 Aerosol
Storage	Store in a cool, dry area away from heat or open flame.
Transportation information	
Class #	ORM-d
Proper Shipping Name:	Consumer Commodity

Health	2
Flammability	2
Reactivity	0
Personal Protection	G
