Solar Shield II #1831

Aerosol Clear Coating

Product Information Sheet

Features

- VOC compliant
- Watermelon scent
- No wiping required
- Excellent for hard to reach areas
- Leaves a clear, non-foaming gloss shine
- Water resistant

Description

SOLAR SHIELD II is an economical alternative to higher priced coatings. This product is fast and easy to use. SOLAR SHIELD II brightens and renews any vinyl and plastic surface. No wiping is necessary. SOLAR SHIELD II's fine aerosol mist is ideal for those hard-to-reach places. SOLAR SHIELD II is a clear, non-foaming coating which provides a water resistant gloss shine.

Applications

- Vinyl interior & tops
- Boats
- Tires
- Plastic
- Bumpers
- Bumper guards
- Body moldings
- Engine compartments
- A/C ducts

Directions

Shake well before using. Prepare surface. Remove dirt, dust, oil, and grease. Dry surface. Test spray on an inconspicuous area or scrap piece to check compatibility. Hold can 10" to 12" from surface. Use a stroking motion. Apply two or more coats rather than one heavy coat. For best results, spray at 70°F to 80°F. Polish surface, if desired, using a soft cloth after allowing spray to dry a few minutes.

Product Specifications

Appearance	Clear
Fragrance	Watermelon
Vapor Density (Air=1)	Heavier than air
Specific Gravity (H2O=1)	0.70 + 0.05
Solubility in Water	Nil
pH Concentrate	N/A
Evaporation Rate	Slower than Ether
Vapor Pressure (mmHg)	N/A
VOC	90.8%
Storage	Keep out of reach of children. Store at temperatures below 120°F. Keep container closed during storage. Keep away from heat, sparks, or open flame.
Flash point (method used)	<0°F
Flammability Limits	LEL: 1.8 UEL: 9.5
Transportation information	
Class #	55
Proper Shipping Name:	Consumer Commodity

Health	2
Flammability	3
Reactivity	0
Personal Protection	B
