

This product has been uniquely formulated to create a residue-free glass cleaner that eliminates spots, film and streaks. Dissolves grease, oil, fingerprints, smudges and soils on contact. No spots, film or streaks, even at warm or cold temperatures. Leaves glass sparkling clean. Overspray dries crystal clear, keeping just cleaned areas from having to be cleaned again.

USES: Windows, mirrors, windshields, showcases, CRT screens, TV screens, copy machine platens, fine lenses, chandeliers and Plexiglas®.

#### DIRECTIONS

Shake well before using. Spray surface and wipe clean with dry cloth or paper towel. Repeat as necessary.

Unique spray system works in all positions including upside down.

**WARNING.** Avoid contact with eyes, skin and clothing. Avoid inhaling mist. Wash thoroughly after handling. Contents under pressure. Do not puncture or incinerate container. Store in a cool (under 120°F) dry location away from heat, sparks, open flame, and direct sunlight. Direct spray away from face. Use with adequate ventilation. Replace cap when not in use. Do not use around ignition sources such as heat, sparks, open flame, etc. Do not deliberately concentrate and inhale vapors.

#### FIRST AID

**EYES** - Flush with plenty of water for at least 15 minutes lifting eyelids to insure complete removal. Get immediate medical attention.

**INGESTION** - If conscious, drink plenty of water. Call a physician or poison control center immediately. Do not induce vomiting unless directed by a physician. **INHALATION** - Get to fresh air. If breathing has stopped, qualified personnel should administer artificial respiration. **SKIN** - Wash with soap and water.

READ THE MATERIAL SAFETY DATA SHEET (MSDS) BEFORE USING THIS PRODUCT.
