

FROST FREE #2471

Powerful Deicer Concentrate

Features:

- Provides better visibility for safer driving
- Quickly penetrates ice and snow
- Can be used all year long
- Won't freeze in winter

Description:

FROST FREE is a methanol-based deicer that penetrates ice, frost and snow quickly to provide better windshield visibility and safer winter driving. The concentrated formula allows for custom dilution levels for different weather conditions. See below for a dilution chart.

Applications:

- Ice
- Streaks
- Frost
- Snow
- Bugs
- Dirt and grime
- Salt residue
- Road film

Product Characteristics:

Appearance:	Clear, dark blue liquid
Odor:	Alcohol
Boiling Point:	149°F estimated (methanol)
Specific Gravity:	0.875 g/ml
Solubility:	Soluble in water.
Flash Point:	<70°F, closed cup
VOC:	<70%
Viscosity:	No data available
Storage:	Keep locked up. Store away from heat. Store in a cool area. Store in a dry area. Store in a well-ventilated place. Keep container tightly closed.

Transport Information:

Proper Shipping Name:	Methanol
UN Number:	UN1230
Class:	3 – Flammable liquid
Packing Group:	II – Medium danger

Health	1
Flammability	3
Reactivity	0
Personal Protection	B

Directions:

For summer use, add 12 ounces FROST FREE to 1 gallon of water to make a washer solution.

For winter use, use the proper dilution for the temperatures in your area. The following quantities of concentrate added to water will reduce the freezing point of the ice to the desired temperature, causing it to melt in temperatures warmer than the "Desired Freezing Point."

Dilution Chart:

Desired Freezing Point	Parts of Concentrate	Parts of Water
25°F	1	7
12°F	1	3
-5°F	1	2
-20°F	1	1
-30°F	3	1
-60°F	undiluted	0
