

# Spotless

# #1884

## Aerosol Carpet Spot & Stain Remover

Product Information Sheet

### Features

- Penetrates the most difficult soils both water and solvent-based.
- Deep cleans
- Freshens
- Restores nap and texture
- Fortified with enzymes
- Inverted valve actuator allows use while standing

### Description

Spotless cleans and degreases localized stains and spots on carpet. It effectively eliminates localized stains due to oil, tar, grease, ink, lipstick, marking pens, mud and dirt, mustard and ketchup, urine, other pet stains, coffee, tea, vomit, soft drinks, alcohol, blood and numerous others. The inverted valve allows for easy treatment of floor surface without kneeling or for easy access to confined spaces. Concentrated stream allows product to be sprayed directly where needed for easy treatment.

### Applications

- Schools
- Hospitals
- Nursing homes
- Hotels
- Colleges
- Offices
- Motels
- Automobiles
- Residential

### Directions

Shake can well before using and invert can to spray. Always test product in an inconspicuous area before general use. For wool and light colored carpet, test for possible stain bleeding and color-fastness on a small portion of stain before proceeding. Previously treated stains created by spotters, acids, dyes or other chemicals may become permanent and may not be removed by this product.

**For Fresh Spots:** Blot up excess liquid. Spray evenly over spot without saturating. Allow time for product to penetrate. Blot with clean damp cloth or sponge. Repeat process, if necessary. Allow area to dry, then vacuum and brush to restore pile. For complete overall maintenance, extract carpet with steam or water extraction.

**For Old and Stubborn Spots:** Spray spot thoroughly. Allow at least 60 seconds for product to penetrate. Agitate surface lightly with a soft bristled brush then blot firmly with clean damp cloth or sponge. Heavily soiled areas of grease, oil or ink may require several applications.

### Product Specifications

Appearance	Clear, colorless spray
Odor	Characteristic
Evaporation Rate (Butyl Acetate)	Not Available
pH	8.5-9.5
Boiling Point	Not Available
Pressure (psig. @70°F)	Not Available
VOC Content, Wt. %	14.6% (US federal/ CARB/ OTC/ LADCO)
Solubility in Water	Partial
Specific Gravity (70°F)	0.991 (Concentrate Only)
Melting Point	Not Available
Vapor Density (Air= 1)	Not Available
Flash Point	Not Available
Storage	Keep out of the reach of children. Keep container in a well-ventilated place. Do not store at temperatures above 49 °C / 120 °F.
Transportation information	
Proper Shipping Name	ORM-D

Health	1
Flammability	2
Reactivity	0
Personal Protection	B

**Use gloves when using on bodily fluids such as urine, vomit, and blood.**
