

AirMatic Sani Mist

#1343

Metered Air Sanitizer for Bacterial & Virus Control

Product Information Sheet

Features

- Reduces airborne bacteria while deodorizing
- EPA registered
- 3000 metered sprays in each can
- Programmable dispensing allows for maximum cost control and automated sanitizing

Description

AIRMATIC SANI MIST sanitizes the air and controls odors as well. The active ingredients in AIRMATIC SANI MIST actually cleanse the air with glycolized action. Lighter-than-air particles are dispersed into the air, where they linger for up to 3 to 4 hours while encapsulating airborne bacteria and odors. AIRMATIC SANI MIST reduces airborne bacteria and destroys odors at their source rather than simply masking the odor. Each metered spray actually cleanses the air and leaves it with a light lime fragrance. AIRMATIC SANI MIST effectively eliminates bacterial and viral pathogens, whether transmitted by air, animal or by man, thereby making the area a cleaner, safer place for everyone.

Applications

- Lobbies
- Reception rooms
- Locker rooms
- Rest rooms of hospitals
- Theaters
- Shops

Directions

Remove cap from can and place in AirMatic Sani Mist Dispenser with spray head beneath actuator, nozzle facing front.

Note: Avoid contamination of food. Do not use in nurseries or rooms where infants, ill, or aged persons are confined.

Product Characteristics

Appearance	Very dry spritz
Fragrance	Mild lime
Specific Gravity (H ₂ O=1)	0.65
Solubility	Appreciable
Boiling Point	N/A
Melting Point	N/A
Vapor Pressure (mmHg)	3,621
Flash Point	N/A
Storage	Do not contaminate water, food, or feed by storage. Store in a cool, dry area away from heat or open flame. Exposure to temperatures above 130°F may cause bursting.
NFPA 30B Rating	Level 2
Transport Information	
Class #	60
NFMC	57100-3
Proper Shipping Name	Consumer Commodity, ORM-d

Health	1
Flammability	4
Reactivity	0
Personal Protection	A
