

Foam-It-Away

#2207

Heavy-Duty All-Purpose Foaming Cleaner and Degreaser

Product Information Sheet

Features

- Ready to use, no mixing required
- Biodegradable
- Non-flammable
- Silicone-free
- No harsh, choking fumes
- Clings to vertical surfaces
- Food Processing Acceptability: C1

Description

FOAM-IT-AWAY is a versatile cleaner with foaming action, which easily penetrates soils and greases. It removes deposits without causing harmful vapors. Non-flammable characteristics allow the product to be used around previously potential danger areas. FOAM-IT-AWAY can safely be used on concrete, asphalt, tile, whitewall tires, plastics, vinyl, brick, glass, washable painted surfaces and most materials. Can even be used on aluminum. The clinging foam allows for maximum cleaning time on vertical surfaces, saving money because less product is needed per use. FOAM-IT-AWAY is intended for use as a compound on all surfaces in inedible and no-processing areas and/or exterior areas of official establishments operating under the Federal meat, poultry, shell egg grading and egg products inspection programs where there is no possibility of food contact in food processing and food handling establishments.

Applications

- Grease
- Dirt
- Mildew stains
- Ink
- Oil
- Dyes
- Carbon
- Wax
- Soil

Directions

Spray on soiled area, then wipe off with a clean cloth. May be sprayed through all conventional type sprayers. For heavily soiled areas, spray material on, let stand a few minutes, agitate slightly, then rinse.

Product Characteristics

| | |
|----------------------------|--|
| Appearance | Thin, green liquid |
| Odor | Floral |
| Solubility In Water | Complete |
| pH Concentrate | 11.5-12.5 |
| Boiling Point | 212°F |
| Specific Gravity (water=1) | 1.05 +/- 0.02 |
| Vapor Density | Unknown |
| Vapor Pressure | Unknown |
| Percent Volatile | 90% |
| Flash Point (method used) | No flash at boil (C.C.) |
| Storage | Store in a cool, dry place. Keep container closed when not in use. |
