

Recognized for  
Safer Chemistry  
[www.epa.gov/dfe](http://www.epa.gov/dfe)

### Features

- Solvent and surfactants quickly emulsifies grease and oil
- Sewer system safe
- Replaces high/low pH cleaners for rooftop applications
- Neutral- can be safely sewered without any pH adjustment in most jurisdictions.
- Non-corrosive
- Recognized by the U.S. EPA's "Design for the Environment" program for safer chemistry

### Description

PRO EARTH COIL CLEANER is a heavy duty, concentrated, non-foaming, neutral cleaner and degreaser that is ideal for use in healthcare, residential, hospitality and commercial applications where high pH or low pH cleaners are not permitted. PRO EARTH COIL CLEANER is for use on evaporator or condenser coils in heating and air conditioning units, permanent-type and electronic air filters as well as heat pump units. Will remove grease, oil, grime and dirt etc., when used as part of a regular maintenance program.

### Applications

- Evaporator coils
- Condenser coils
- Heat pump units
- Heating and A/C units
- Electronic air filters
- Permanent air filters

### Directions

Dilute PRO EARTH COIL CLEANER 1:4 parts with water and apply with a low-pressure sprayer. Leave on coils for 5-7 minutes then flush with water. Can be used on built-up roofs, etc., where acid/high pH cleaners may cause damage. Dilute 1:7 parts water if used as a no-rinse evaporator cleaner. Proper housekeeping processes must be followed. Can be safely sewered without any pH adjustment in most jurisdictions.

*CAUTION: Avoid skin/eye contact. Wear gloves, protective clothing and goggles when using. Use in well-ventilated areas. Do not breathe vapors.*

### Product Characteristics

Appearance	Clear yellow liquid
Odor	Characteristic
Evaporation Rate <sub>(H2O=1)</sub>	N/A
Vapor Pressure <sub>(mmHg)</sub>	N/D
Vapor Density <sub>(Air=1)</sub>	N/D
Solubility in Water	Complete
Specific Gravity <sub>(H2O=1)</sub>	1.01-1.03
Boiling Point (°F)	N/D
Flammability	Not flammable
pH	9.5-10.5
Storage	Keep container closed when not in use. Follow label instructions. Keep this and all chemicals out of reach of children.
Transport information	
Class #	55
NMFC	48580-3
Shipping Name	DOT Description Not regulated

Health	1
Flammability	0
