

Pro Lube

#2773

Bearing Grease for Food Processing and Packaging Industry

Product Information Sheet

Features

- 50 lb Timken EP
- Superior Four-Ball EP and anti-wear
- Excellent rust protection
- Oxidation inhibited
- Good high temperature properties
- Good adhesion/cohesion properties
- Excellent resistance to the effects of water
- Fortified to increase lubricity and slipperiness
- NLGI # 2
- H1 rated grease

Description

PRO LUBE is a specialty high temperature polymer grease engineered specifically for the food processing and packaging industry. It is compounded with EP and antiwear additives as well as rust and oxidation inhibitors. It possesses good adhesion/cohesion properties and is water insoluble and very resistant to water washout. This premium grease has a neutral petroleum odor and is non-staining. PRO LUBE is appropriate for use as a lubricant with incidental food contact when used per label copy and under conditions of FSIS Manufacturer's letter of Guarantee.

Uses

- Conveyors
- Grid belts
- Slicers
- Slides
- Gears
- Cams
- Chairs
- Rollers
- Guide rails
- Plungers
- Casters
- Dicers
- Chains
- Cables
- Sprockets
- Open lube points

Applications

- Breweries
- Bottlers
- Meat & Poultry Processors
- Bakeries
- Canners
- Egg Graders & Packers
- Food Plants
- Dairies

Directions

Remove old grease before applying this product. For ball-type grease fittings, fill with this product until old grease is forced out.

Performance Characteristics

PRO LUBE is formulated for use in meat and poultry plants. Product may be reapplied as required to maintain degree of lubricity needed, but care should be taken not to over lubricate surfaces in order to remain in compliance with Federal regulation regarding the use of lubricants.

Product Characteristics

Appearance	White gel
Odor	Oil
Melting Point	N/A
Boiling Point	N/A
Vapor Pressure (Non-Aerosols)(mmHg & Temperature)	N/D
Solubility in Water	Negligible
Evaporation rate (ethyl ether = 1)	N/A
Flash Point	N/D
Storage	Keep away from flames, sparks or hot surfaces.
Transportation information	Non Hazardous/ NON-REGULATED
Class #	
Proper Shipping Name	

Health	1
Flammability	0
Reactivity	0
Personal Protection	B
