- Steel canister comes with chrome plated exterior
- Works with oil and solvent based materials and water based materials
- Extra versatile
- Pressurized by free air
- Made in the U.S.A
- Sensible alternative to aerosols

Description:

Sure Shot® sprayers are an inexpensive way to apply bulk chemicals, like cleaners, degreasers, penetrating oils, solvents and lubricants. They are an approved metal, air rechargeable, high-pressure sprayer. They use readily available compressed air, instead of flammable and/or dangerous propellants, and because they are reusable you don't have to worry about disposal of empty cans.

Manufactured since 1932, Sure Shot® is the leader in Refillable, Rechargeable, and completely portable compressed air sprayer.

Notes:

- NEVER USE ACIDS IN SURE SHOT SPRAYER
- Always confirm chemical compatibility
- Read caution label on sprayer before filling
- Always depressurize the sprayer before removing any parts
- Sprayer not recommended for use with paints
- Water and rust causing solutions or solutions which are not compatible with steel, should not be used in this sprayer, and will void your warranty

For use with bulk products:

- Electro Solv
- 4-N-1
- XL 999
- Solv-It
- Brake & Parts Cleaner
