

Thirsty

#3101

Super-Absorbent Deodorizer For Urine and Vomit Spills

Product Information Sheet

Features

- Absorbs over 80 times its weight in seconds
- Non-toxic and biodegradable
- Neutralizes odors
- Treated spills are easy to dispose of

Description

THIRSTY works quickly to absorb, solidify and deodorize potentially hazardous liquids. It absorbs liquid at the rate of 80-100 times its weight in seconds. One container of THIRSTY will absorb over 5 gallons of liquid, thereby eliminating the need for mops, towels, and rags while it neutralizes virtually all types of odors. Can be used on vomit, urine, blood and numerous different chemicals. Safe to use on carpet.

Applications

- Hospitals
- Nursing homes
- Day care centers
- Schools
- Correctional facilities
- Public facilities
- Municipalities
- Industrial/commercial
- Public transportation

Directions

Put on rubber gloves and other protective clothing as required. Sprinkle THIRSTY over spilled fluid until completely covered. When liquid is congealed, remove with dustpan and broom. Disinfect area if necessary.

Product Specifications

Appearance	White powder
Odor	Vanilla
Boiling Range (°F)	N/A
Vapor Pressure	N/A
% Volatile	None
Solubility in Water	Negligible
Specific Gravity	1.7
Vapor Density	N/A
pH	N/A
Evaporation Rate	N/A
Flash Point (Method used)	N/A
Storage	Keep container tightly closed when not in use.
Transportation information	
Class #	55
NMFC#	48581

Health	2
Flammability	1
Reactivity	0
