

Non-Selective, Ready-to-Use Herbicide

**Features**

- Controls weeds and grasses through foliage and root contact
- Soil sterilant
- Lasts a full growing season
- Fast burn-down of weeds
- Effective against most annual and perennial weeds and grasses

**Description**

WEED OUT is a ready-to-use solvent-based non-selective weed killer. It contains two active ingredients that provide double the killing power. Bromacil controls weeds through root contact and gives season-long residual control. 2,4-D controls weeds through foliage and gives immediate weed burn-down. WEED OUT is particularly effective in areas where undesirable vegetation is tall and well established. WEED OUT is designed to be applied undiluted as a spray on non-cropland areas where bare ground is desired.

**Applications**

- Fence lines
- Pipe lines
- Bridge abutments
- Loading ramps
- Railroad sidings
- Parking lots
- Bleachers
- Storage yards
- Around building foundations
- Road signs
- Tank farms
- Industrial plant sites

**Directions**

See label for detailed instructions.

To control most weeds for an extended period of time on non-cropland areas, apply 2-3.5 gallons per 1,000 square feet (80-150 gallons per acre).

To control annual weeds and grasses, apply 1-2 gallons per 1,000 square feet (40-80 gallons per acre).

For other hard-to-kill perennial weeds and grasses, apply 3- 3.5 gallons per 1,000 sq. ft (120-220 gallons per acre).

Best results obtained when applied in late spring or early summer.

**Product Specifications**

Appearance	Amber-brown liquid
Odor	Petroleum
pH Concentrate	N/A
Evaporation Rate (Butyl Acetate=1)	N/E
Boiling Point (°F)	430°F
Solubility in Water	Insoluble
Vapor Pressure (mmHg)	N/E
Vapor Density (Air=1)	N/E
Specific Gravity (H2O=1)	0.88
Flash Point (method used)	>130°F (C.C.)
Storage	Store in a cool, dry place. Keep container closed when not in use. Keep out of reach of children.
Transportation information	
Class #	60
Proper Shipping Name	Compound, Weed or Tree Killing, NOI
NFMC	50320

**Active Ingredients**

- 2,4-Dichlorophenoxyacetic acid 2-ethylhexylester.....1.09%  
 Bromacil (5-bromo-3-sec-butyl-6-methyluracil)..... 0.98%
