

# Cooling Bandana #4114

## Neck Bandana

### Features:

- 100% cotton - not a blend or polyester
- Triple washed to avoid bleeding or staining
- Works without freezing or ice
- Stays hydrated for several days
- Reusable
- Interlocking stitches to prevent polymer crystals from leaking
- No slimy feel like some other brands

### Description:

This COOLING BANDANA is a must have for anyone who works in hot conditions, whether indoors or out. Simply soak it in cold water for 10-20 minutes and it will stay hydrated for several days. They can also be reused, making these COOLING BANDANAS a cost effective solution for hot work environments.
