

# BAN AID #2172

## Antimicrobial Liquid Hand Cleaner

### Features:

- No messy diluting required – ready to use
- Formulated with skin conditioners for extra mildness
- Contains 0.3% antimicrobial PCMX
- FDA registered
- 10.9% solids

### Description:

BAN AID hand cleaner is formulated with the mildest detergents, emollients and skin conditioners. Leaves your hands clean, soft and smelling fresh. PCMX has been added as an antimicrobial agent. BAN AID can be diluted with up to 50% water to make it go further in light-duty applications. Effective for use in food processing plants and restaurants by personnel prior to handling food and/or food processing equipment. When tested via the Time Kill Test, it demonstrates 99% or greater kill against Staphylococcus Aureus, E. coli, and Pseudomonas aeruginosa.
