### Description:

BOROLAN is a high quality, powdered soap that contains special borax cleaning agents that provide gentle agitation to scrub away the most stubborn dirt without drying or chapping skin. This fragrance-free formula works well in all powdered dispensers. It rinses away completely with water, leaving no annoying grit or heavy perfumes. It easily removes dirt, grease, grime, ink, paint, oil and more.

### Applications:

- Restrooms
- Manufacturing Facilities
- DOTs
- Car Shops
- Industrial Plants
- Bus Garages

### Solutions:

BOROLAN is perfect for anyone who needs a hand cleaner that will easily get rid of tough dirt, grease and grime. Since it works with any powdered dispenser, it is convenient to place in any washroom or workroom with a dispenser already in place.
