

# CITRA WORKS #2425

Soy and Citrus Degreaser, Deodorizer and Drain Solvent

## Features:

- Natural soy (90%) and orange terpenes (5%)
- Pleasant citrus fragrance
- Non-corrosive, non-caustic, non-acid
- Concentrated
- Biodegradable
- Controls odors
- Higher flash point than other citrus-type solvents

## Description:

CITRA WORKS is a versatile natural solvent made from soy and orange terpenes that work together to cut through grease and grime. The natural, organic formula provides a multitude of added values such as odor control, unclogging drains, and the removal of tar and asphalt from most hard surfaces. The non-corrosive, multipurpose formula effectively strips grease and heavy oil deposits from practically any surface.

## Applications:

- Degrease Trucks
- Remove Tire Marks
- Clean Equipment
- Unclog Grease Traps
- Remove Soap Scum
- Remove Printer Ink
- Clean Fuel Deposits
- Remove Adhesives
- Remove Decals
- Clean Equipment
- Clean Motors
- De-Tar Vehicles

## Product Characteristics:

Physical State:	Liquid
Color:	Orange/clear
Odor:	Citrus
Boiling Point:	Not available
Vapor Pressure:	Not available
Specific Gravity:	0.84
Solubility:	Complete
Storage:	N/A
<b>Transport Information:</b>	
UN Number:	N/A
Proper Shipping Name:	N/A
Class:	Non hazardous
Packing Group:	N/A

## Directions:

**DRAIN MAINTAINER:** To declog drains, pour eight ounces of CITRA WORKS directly into drain. Let stand for 1 hour or more. Flush with hot water. For disposals, use the same procedure.

**CLEANING/DEGREASING:** To clean and degrease surfaces, dilute four ounces of CITRA WORKS into one gallon of warm water. Apply solution generously on surface to be cleaned. Let stand for 5 minutes. Rinse thoroughly.

**ODOR CONTROL:** Dilute two ounces of CITRA WORKS into one gallon of water. Apply through a sprayer to odor source. CITRA WORKS will immediately leave a fresh citrus scent.
