

# DRI LUB #1703

## Aerosol Dry Lubricant and Release Agent

### Features:

- Repels oil, water, dust and lint
- Completely resistant to chemicals and solvents
- Greaseless and oil free
- Nonstaining and odorless
- Withstands temperatures over 500°F
- Contains PTFE, which is more slippery than silicone, graphite or oil

### Description:

DRI LUB is a high grade, nonstick lubricant and release agent that forms a slippery, transparent film with a working temperature of over 500°F. It contains an extremely fine polytetrafluoroethylene powder with outstanding microscopic, film-forming properties. Unlike silicone lubricants, this product is permanent, leaving an odorless, stainless coating that is more slippery than other lubricants. Excellent for reducing low speed friction. Can be used on plastic, metal, aluminum, wood, rubber and glass.

### Applications:

- Hinges
- Doors
- Drawers
- Car Doors
- Locks
- Tools
- Springs
- Conveyors
- Zippers
- Pulleys
- Chain Drivers
- Production Machinery

### Product Characteristics:

Appearance:	Gas
Odor:	Not available
Evaporation Rate:	Not available
Relative Density:	Not available
Viscosity:	Not available
Boiling Point/Range:	132.89°F (56.05°C) estimated
Flammability (solid/gas):	Not available
Flammability Limit—lower (%):	2% estimated
Flammability Limit—upper (%):	9.6% estimated
Explosive Properties:	Not explosive
Vapor Pressure:	60 - 80 psig @20°C estimated
Flash Point:	-156.0 °F (-104.4°C) propellant estimated
pH:	Not available
Oxidizing Properties:	Not oxidizing
Storage:	Store in a well-ventilated place. Keep container tightly closed. Store locked up. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F.
<b>Transportation Information:</b>	
Proper Shipping Name:	Aerosols, flammable
UN Number:	UN1950
Hazard Class/Division:	2.1
Packing Group:	Not applicable

### Directions:

Shake well before using. Spray a light thin coat from a distance of approximately 6 inches. Paintable and contains no silicone or oil. Will not affect wood finish.

### Pictograms:

### Signal Word:

Danger

### Personal Protective Equipment Required:

### DOT Placard:
