ENVIRO CLEAN R.T.U. #2191
Ready-to-Use Acid Replacement Cleaner

PRO CHEM®

Features:
- Non-corrosive
- No caustics, acids or fumes
- Clinging action for longer dwell time
- Cleans with the power of acid

Description:

ENVIRO CLEAN R.T.U. is a revolutionary new formula that is a natural, safe, biodegradable multipurpose cleaning product that combines the high cleaning performance of acids with the gentleness of liquid dish soap. It is a powerful yet completely safe all- purpose cleaner for removal of hard water scale, lime, soap, scuff marks, rust stains, grease, mildew and mold. Also, this unique acid replacement cleaner provides an unprecedented level of safety in the workplace for both the operators and surfaces – without compromising performance. Note: When using on chrome, test in an inconspicuous area, since not all chromes are the same grade. Also, when using on chrome and stainless steel, ENVIRO CLEAN R.T.U. must be rinsed immediately and thoroughly after surface is cleaned.

Applications:

Stainless Steel	Terrazzo	Quarry Tiles	Grouting	Tile
Aluminum	Copper	Brass	Fiberglass	Porcelain
Concrete	Brick	Ceramic	Stone	

Product Characteristics:

Appearance:	Colored liquid
Physical State:	Liquid
Odor:	Fragranced
Vapor Pressure:	No data available
Solubility in Water:	Completely soluble
Vapor Density:	Heavier than air
Flash Point & Method:	Not applicable
Specific Gravity:	1-1.025
Flammable Limits:	0-0
pH:	.5-1.5
VOC:	30.000
Storage:	Store locked up.
Transport Information:	
UN Number:	Not regulated for domestic ground transportation.
Proper Shipping Name:	Not regulated for domestic ground transportation.
Class:	Not regulated for domestic ground transportation.
Packing Group:	Not regulated for domestic ground transportation.
