

ELECTRO BLAST #1649

Aerosol Safety Solvent With Blast Nozzle

Features:

- Non-corrosive, non-conductive, non-flammable
- Powerful flushing action
- Safe for cleaning energized electrical equipment
- Dries fast and residue free
- 30.0 kV dielectric strength (ASTM D-877)
- No petroleum distillates

Directions:

ELECTRO BLAST is a fast drying, non-flammable, non-conductive, solvent cleaner and degreaser spray. It contains trichloroethylene, an accepted replacement for 1,1,1 Trichloroethane under the EPA SNAP program. Its powerful flushing action penetrates through and removes grease, grime, dirt, tar, wax and other contaminants. The dielectric strength and non-flammability of the product allows it to be used on electrical equipment and machines, even while energized.

Applications:

- Industrial Equipment
- Generators
- Windings
- Engine Parts and Motors
- Relays and Starters
- Gas, Water and Electric Meters
- Gears and Bearings
- Production Machinery
- Power Tools
- Control Panels
- Electrical Motors
- Refrigeration Equipment
- Assemblies of Electrical Equipment
- Heating and Air Conditioning Equipment
- Printing Equipment

Product Characteristics:

Physical State:	Liquid
Form:	Spray Aerosol
Odor:	No data available
Vapor Pressure:	No data available
Boiling Point:	No data available
Solubility (water):	No data available
Flash Point:	No data available
Explosive Limit – upper (%):	Estimated 52%(V)
Storage:	Protect from sunlight. Store in a well-ventilated place. Store locked up. Keep container tightly closed.
NFPA Code 30B Storage Rating:	Level 1 Storage Rating.
Transport Information:	
Proper Shipping Name:	Aerosols, non-flammable
UN Number:	UN1950
Class:	2.2
Packing Group:	II

Directions: Shake well before use.

Saturate part to be cleaned. Allow to air dry. For heavily encrusted areas, brush, then rinse off with a second application. May remove some paints, pretesting is suggested.

DO NOT USE ON PLASTICS.

Note: Energized equipment use only. Not to be used for motorized vehicle maintenance or their parts.

***Not for sale in California.*
