

SAFETY DATA SHEET

1. Product and Company Identification

PRODUCT NUMBER:	3160	COMPANY PHONE:	1-800-241-8180
PRODUCT NAME:	FLOOR GUARD-URINAL	EMERGENCY TELEPHONE:	1-800-241-8180
PRODUCT DESCRIPTION:	Disposable Floor Mats For Urinals	INFOTRAC:	1-800-535-5053
COMPANY INFORMATION:	PRO CHEM, INC. 1475 Bluegrass Lakes Parkway Alpharetta, GA 30004		

2. Hazards Identification

GHS CLASSIFICATION: EC-directives 67/548/EEC or 1999/45/EC on the classification, packaging and labeling of dangerous preparations: This product is not classified as hazardous according to these directives.	SIGNAL WORD:	SYMBOL:	NOT A CONTROLLED  PRODUCT UNDER GHS
HAZARD STATEMENTS: EC-directives 67/548/EEC or 1999/45/EC on the classification, packaging and labeling of dangerous preparations: This product is not classified as hazardous according to these directives.			

3. Composition / Information on Ingredients

COMPOSITION & INFORMATION ON INGREDIENTS:
Polyppyleen-styreen en 1,3-buteen gecarboxyleerd latex-foam

4. First Aid Measures

EMERGENCY OVERVIEW

EYES: This product is an inert solid product. Dust may, however, cause small irritations in the eye. Seek medical treatment in case of irritation.

SKIN: Non-irritating. Only contact with melted substance burns the skin. Rinse liberally with water. Seek medical treatment.

INHALATION:

Inhalation of dust or gas/vapor emission (heat treatment): Take victim into fresh air, seek medical treatment.

INGESTION:

This product is an inert solid product.

5. Fire Fighting Measures

SUITABLE FIRE EXTINGUISHING MEDIA:

Water, foam, dry powder, or carbon dioxide (CO₂).

SPECIFIC HAZARDS ARISING FROM THE CHEMICAL:

At temperatures above 300° toxic gases, such as carbon monoxide (CO), carbon dioxide (CO₂), smoke can be released depending on the nature of the fire. Contaminated extinction water and fire residues must be disposed of according to local regulations.

SPECIAL PROTECTIVE EQUIPMENT FOR FIRE FIGHTERS:

Wear heat-protective gear and use automatic respirator.

6. Accidental Release Measures

PERSONAL PRECAUTIONS:

Spilt product presents a significant slip hazard.

ENVIRONMENTAL PRECAUTIONS AND CLEAN-UP METHODS:

Prevent entry into sewer or watercourses. Collect product by mechanical materials. Reuse spilt product if allowed by the eventual application; otherwise, dispose the waste according to national or local regulations.

7. Handling and Storage

SAFE HANDLING:

This product does not carry risks. If required, a masque with dust filters is sufficient.

FIRE AND EXPLOSION RISKS:

Like all nonconductive materials, the product can accumulate static electricity. Can be avoided by installing an electrostatic ground.

SAFE STORAGE & INCOMPATIBILITIES:

Keep away from humidity.

8. Exposure Controls / Personal Protection

PERSONAL PROTECTIVE EQUIPMENT:

EYE/FACE PROTECTION: Avoid contact with dust or with the product when heated. If the product is in melted state, safety glasses.

SKIN PROTECTION: Avoid contact with the product when heated. If the product is in a melted state, wear heat-resistant gloves and clothing.

RESPIRATORY PROTECTION: In insufficient ventilation, wear masque with dust filter.

GENERAL HYGIENE CONSIDERATIONS: Handle in accordance with good industrial hygiene and safety practice.

9. Physical & Chemical Properties

APPEARANCE:	Pellets.	VAPOR PRESSURE:	Not applicable.
Physical State:	25°C: Solid.	SOLUBILITY (water):	Not applicable.
ODOR:	Neutral.	MELTING POINT:	165°C (=/-10°C)
pH:	Not applicable.	FLASH POINT:	>300°C
VISCOSITY:	Not applicable.		

10. Stability & Reactivity Information

HAZARDOUS REACTIONS:

None. Stable under normal circumstances.

HAZARDOUS DECOMPOSITION PRODUCTS:

At a temperature above 300°C, toxic gases such as carbon monoxide (CO), carbon dioxide (CO₂), smoke and other possible hazardous materials.

11. Toxicological Information

ACUTE/CHRONIC TOXICITY:

The material (powder) may mechanically irritate eyes and respiratory system.

EFFECTS OF LONG/SHORT TERM AS A RESULT OF SHORT REPETITIVE OR LONG TIME EXPOSURE:

The product presents no harmful effects if used in accordance to the prescriptions.

12. Ecological Information

TOXICITY IN WATER:

The substance is not soluble in water. It is not toxic to the aquatic life.

BIOACCUMULATIVE POTENTIAL:

Based on the consistence and water solubility, the product is not readily available.

ECOLOGICAL EFFECTS:

None.

STORAGE LIFE AND DECOMPOSITION:

The product is not biodegradable.

13. Disposal Consideration

RECYCLING:

Material waste as well as packaging waste should be treated in concordance to the regulation which is applicable. Recycling is recommended when possible.

BURNING:

Through controlled burning in an oven suitable for the disposal of industrial waste, heat destruction of the substance is possible in accordance with valid standards and local regulations.

DISPOSAL:

Avoid If possible.

14. Transportation Information

LABELING:

According to EC-directives 67/548/EEC or 1999/45/EC, this product does not need to be labeled.

ADR (road):

Regulated as not hazardous.

RID (rail):

Regulated as not hazardous.

ADNR (inland waterways):

Regulated as not hazardous.

ICAO/IATA (air):

Regulated as not hazardous.

IMO/IMDG (maritime):

Regulated as not hazardous.

15. Regulatory Information

LABELLING ACCORDING TO ED GUIDELINES:

Labelling not required.

EC-DIRECTIVES 67/458/EEC OR 1999/45/EC:

Not a hazardous substance or preparation.

R-CLASSIFICATION/S-CLASSIFICATION:

Not applicable.

16. Other Information

DISCLAIMER:

To the best of our knowledge, information contained herein is accurate. However, there is no assumption of liability for the accuracy or completeness of the information contained herein. Final determination of suitability of any material is the sole responsibility of the user. All materials may present unknown hazards and should be used with caution. Although certain hazards are described herein, we cannot guarantee that these are the only hazard, which exists. The information contained in this SDS was obtained from current and reliable sources; however, the data is provided without any warranty, expressed or implied, regarding its correctness or accuracy. Since the conditions or handling, storage and disposal of this product are beyond the control of the manufacturer, the manufacturer will not be responsible for loss, injury, or expense arising out of the products improper use. No warranty, expressed or inferred, regarding the product described in this SDS shall be created or inferred by any statement in this SDS. Various government agencies may have specific regulations regarding the transportation, handling, storage, use, or disposal of this product, which may not be covered by this SDS. The user is responsible for full compliance.
