

FOAM-IT-AWAY #2207

Heavy-Duty All-Purpose Foaming Cleaner and Degreaser

Features:

- Ready to use, no mixing required
- Biodegradable
- Nonflammable
- Silicone free
- No harsh, choking fumes
- Clings to vertical surfaces
- Food Processing Acceptability: C1

Description:

FOAM-IT-AWAY is a versatile cleaner with foaming action that easily penetrates soils and greases. It removes deposits without causing harmful vapors. Nonflammable characteristics allow the product to be used around previously potential danger areas. It can safely be used on concrete, asphalt, tile, whitewall tires, plastics, vinyl, brick, glass, washable painted surfaces and most materials. It can even be used on aluminum. The clinging foam allows for maximum cleaning time on vertical surfaces, saving money because less product is needed. It is intended for use as a compound on all surfaces in inedible and non-processing areas and/or exterior areas of official establishments operating under the Federal meat, poultry, shell egg grading and egg products inspection programs where there is no possibility of food contact in food processing and food handling establishments.

Applications:

- Grease
- Dirt
- Mildew Stains
- Ink
- Oil
- Dyes
- Carbon
- Wax
- Soil

Product Characteristics:

Appearance:	Green, clear liquid
Odor:	Floral
pH:	6.5-7.5
Percent Volatile:	90%
Specific Gravity:	1.05
Boiling Point:	212°F
Solubility:	Complete
Flash Point:	Not available
VOC%:	Not available
Storage:	Store in a dry place. Store in a closed container. Store in a well-ventilated place. Keep cool.
Transport Information:	
Proper Shipping Name:	Not regulated
UN Number:	Not regulated
Class:	Not regulated
Packing Group:	Not regulated
