• **NON-FLAMMABLE\*** • **BIODEGRADABLE** • **CLINGS TO VERTICAL SURFACES**

Foam-It-Away is a versatile cleaner with foaming action which easily penetrates soils and greases. Removes deposits without causing harmful vapors. Non-flammable characteristics allow the product to be used around previously potential danger areas. Can safely be used on concrete, asphalt, tile, whitewall tires, plastics, vinyl, brick, glass, washable painted surfaces and most materials. Can even be used on aluminum.

Safely removes grease, ink, carbon, oil, wax, dirt, and stains caused by mildew. Its special clinging power is ideal for economically cleaning vertical surfaces.

**DIRECTIONS:** Simply spray on soiled area; then wipe off with a clean cloth. May be sprayed through all conventional type sprayers. For heavily soiled surfaces, spray material on, let stand a few minutes, agitate slightly then rinse.

**CAUTION:** This product is Alkaline and contains 2-butoxyethanol. Do not get in eyes or on skin. \*No flash point as determined by the standard laboratory closed cup method (ASTM D56).

**FIRST AID: EYES:** Immediately flush with water. Remove contact lenses, if applicable, and continue flushing with water for 15 minutes. Call a physician immediately. **SKIN:** Immediately flush with water for 15 minutes. Call physician if irritation persists. Completely decontaminate clothing, shoes, and leather goods before reuse or discard. **INGESTION:** Do not induce vomiting. Rinse mouth with water, then drink one or two glasses of water or milk. Call a physician immediately. Never give anything by mouth if victim is unconscious, is rapidly losing consciousness or is convulsing. **INHALATION:** If symptoms develop move victim to fresh air. If symptoms persist, call a physician. **PRIMARY ROUTES OF ENTRY:** Skin contact/absorption and inhalation. **TARGET ORGAN EFFECTS:** Kidney and liver lesions at high doses.
