

# FUTRON #2210

## Heavy Duty Concentrated Cleaner and Degreaser

### Features:

- Emulsifies and holds grease in suspension
- Non-flammable, non-caustic, acid free
- Contains no butoxyethanol
- Biodegradable
- Non-corrosive
- Food Processing Acceptability: A1

### Description:

FUTRON is a concentrated, butoxyethanol-free cleaner and degreaser, which effectively removes greasy soils from a variety of surfaces. Works by emulsifying and suspending greases, oils, soils and all undesirable matter. This product is environmentally appealing because it contains no soaps, phosphates, highly toxic solvents or non-biodegradable detergents. Recommended for use where water-soluble solvent cleaners cannot be used and where greasy, oily soils exist. It is intended for use as a general cleaning agent on all surfaces, or for use with steam or mechanical cleaning devices in all departments of official establishments operating under the Federal meat, poultry, shell egg grading and egg products inspection programs where there is no possibility of food contact in food processing and food handling establishments. This product works well in hot or cold water and hard or soft water. FUTRON is extremely versatile and can be used in automatic cleaners, steam cleaning machines, pressure washers and any mechanical spraying device.

### Applications:

- Rubber
- Air Filters
- Steam Cleaners
- Office Machines
- Grills
- Plastic
- Engines
- Walls
- Concrete Floors
- Machinery
- Automatic Scrubbers
- Fiberglass
- Brick
- Sinks
- Printing Presses
- Conveyor Systems
- Tile
- Pressure Washers
- Kitchens
- Utensils
- Conveyors

### Product Characteristics:

Appearance:	Clear/Green liquid
Odor:	Bland
Boiling Point:	212°F
Vapor Pressure:	Unknown
Specific Gravity:	1.01
Solubility (water):	Complete
Vapor Density:	Unknown
Flash Point:	Not available
pH:	12.0-13.0
Melting Point:	Not available
Viscosity:	Not available
Storage:	Store in a cool place in original container and protect from sunlight. Keep container closed when not in use. Keep away from heat and flame.
<b>Transport Information:</b>	
UN Number:	UN1760
Proper Shipping Name:	Potassium hydroxide
Class:	8 – Corrosive
Packing Group:	II

### Directions:

**For routine maintenance:** Dilute 1 part FUTRON with 100 parts water.

**For light cleaning:** Dilute 1 part FUTRON with up to 50 parts water.

**For general cleaning:** Dilute 1 part FUTRON to 25 parts water.

**For heavily soiled surfaces:** Dilute 1 part FUTRON to 10 parts water. For exceptionally stubborn soils, repeat cleaning procedure at a more concentrated dilution. Rinse thoroughly after use.

NOTE: Avoid use on aluminum or glass. Do not use undiluted.
