

HYPRO #2623

Multisurface Peroxide Cleaner, Degreaser & Stain Remover

Features:

- Meets the Green Seal™ Standard GS-37 based on effective performance, concentrated volume, minimized/recycled packaging and protective limits on VOCs and human & environmental toxicity. GreenSeal.org.
- Meets strict environmental, health and safety criteria
- Biodegradable
- Restores grout without harsh acids
- Removes scale buildup
- Contains no carcinogens, reproductive toxins, neurotoxins or endocrine modifiers
- Non-flammable, non-combustible and non-toxic
- Eliminates odors

Description:

HYPRO is an environmentally responsible, all-purpose cleaner/degreaser. By combining the versatile power of hydrogen peroxide with the cleaning power of d'limonene, HYPRO is a safer, effective cleaner. The effervescent action of hydrogen peroxide actually lifts soils away while reacting with many sulfur and ammonia-based compounds to eliminate odors, leaving a pure clean without scrubbing. This product helps eliminate the need for specialized cleaning products by providing one cleaner that is safe to use on any surface not harmed by water. Its broad usage helps reduce employee training and minimize accidental product mix-ups by handling all of your day-to-day cleaning needs.

Effective Against:

- Coffee & Tea
- Grease
- Soda
- Ink
- Blood
- Red Wine
- Mildew
- Mold

For Use On:

- Fabric
- Metal
- Glass
- Grout
- Plastic
- Tile
- Furniture
- Walls
- Stainless Steel
- Counters

Product Characteristics:

Appearance:	Colorless liquid
Odor:	Orange
pH:	4.0-5.5 (diluted) 5.5 – 6.5 (undiluted)
Specific Gravity:	1.01
Solubility:	Complete
Boiling Point:	212°F
Flash Point:	Not available
VOC:	Not available
Viscosity:	Not available

Storage: Store locked up. Store in a cool place in original container and protect from sunlight. Keep away from sources of ignition. Keep away from food and drinking water. Keep container closed when not in use.

Transport Information:

Proper Shipping Name:	Not regulated
UN Number:	Not regulated
Class:	3 – Flammable Liquid
Packing Group:	II

DOT Placard:

Not regulated.
