

Ice Eraser #1261

Aerosol Spray Deicer

Features:

- High pressure spray quickly dissolves frost, ice and snow on contact
- Non-smearing formula for windshields and windows
- Methanol (deicing agent) is the same as what is used to deice airplanes
- Will not distort vision on windshields
- Will not dry out windshield wiper blades
- Will not harm vehicle finish
- Unfreezes car locks and wipers
- VOC compliant

Description:

ICE ERASER quickly melts frost, ice and snow. Its high-volume spray quickly removes these from windshields, vehicle windows and headlights. It unfreezes locks and windshield wipers.

Application:

- Windshields
- Truck Locks
- Door Handles
- A/C Equipment
- Wiper Blades
- Door Locks
- Door Creases
- Freezer Compartments
- Mirrors
- Headlights
- Chillers
- Windows

For Use On:

- Autos
- Buses
- Fleet Maintenance
- Trucks

Product Characteristics:

Appearance:	Aerosol
Odor:	Not available
Initial Boiling Point/Range:	212°F (100°C) estimated
Specific Gravity:	0.853% estimated
Density:	0.85 g/cm ³ estimated
Relative Density:	0.811 g/cm ³ estimated
Flash Point:	-156.0°F (-104.4°C) Propellant estimated
VOC (weight %):	80.65% estimated
Heat of Combustion:	16.67 kJ/g estimated
Vapor Pressure:	65 - 85 psig @ 70°F estimated
Auto-Ignition Temp:	857.76 °F (458.76 °C) estimated
Percent Volatile:	98.49% estimated
Flammability Class:	Flammable 1B estimated
Storage:	Store in a well-ventilated place. Keep container tightly closed. Store locked up. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F.
Transport Information:	
Proper Shipping Name:	Aerosols, flammable.
UN Number:	UN1950
Class:	2.1
Packing Group:	Not applicable.

Directions:

To Prevent Frozen Windshields & Locks: Apply ICE ERASER immediately before freezing weather is expected. Use once every week in locks during cold weather.

To Melt Ice On Windshields, Car Windows & Headlights:

Start up car and turn on defroster. Hold can upright, direct spray toward ice and press button. For quicker action on windshields, turn on wipers.

To Open Frozen Locks:

Hold can upright, close to lock, direct the spray into lock. Will not harm vehicle's finish.
