

INDUSOL #2214

Heavy Duty Concentrated Cleaner and Degreaser

Features:

- Effective and economical butyl cleaner
- Acid free
- Biodegradable
- Non-caustic
- Contains rust inhibitor
- Ideal for use in automatic scrubbers because of its low foaming abilities

Description:

INDUSOL is a concentrated water-based butyl cleaner/degreaser that is safe to use on virtually any surface not harmed by water when diluted properly. It has the ability to penetrate, absorb, emulsify and lift away grease, oil, gum, dirt, wax, carbon, ink and stains, yet never leaves an oily residue. This product is intended for use as a general cleaning agent on all surfaces or for use with steam or mechanical cleaning devices in all departments of official establishments operating under the Federal Meat, Poultry, Shell Egg Grading and Egg Products Inspection Programs where there is no possibility of food contact in food processing and food handling establishments.

Applications:

- Porcelain Refrigerators
- Air Filters
- Shower Stalls
- Buses and Trucks
- Grills
- Exhaust Fans
- Air Conditioning Units
- Engines
- Printing Presses
- Conveyors
- Acoustic Tiles
- Whitewall Tires
- Brick
- Oven Canopies
- Stainless Steel & Aluminum
- Ink Stains

For Use By:

- Bus Garages
- Colleges/Universities
- School Systems
- Fleet Operations
- Freight Carriers
- Food Processing Plants
- Hospitals
- Municipalities
- Golf Courses
- Factories
- Hotels
- Utility Companies

Product Characteristics:

Appearance:	Purple/clear
Odor:	Solvent
Boiling Point:	212°F
Vapor Pressure:	Unknown
Specific Gravity:	1.05
Solubility:	Complete
Vapor Density:	Unknown
Flash Point:	Not available
pH:	12.5-13.5
Melting Point:	Not available
Viscosity:	Not available
Storage:	Store in a cool dry place. Keep container closed when not in use.

Directions:

For light duty cleaning: Dilute 1 part INDUSOL to 65 parts water. (ex: ovens, air filters, pools, etc.)

For general cleaning: Dilute 1 part INDUSOL to 15 parts water. (ex: ovens, air filters, pools, etc.)

For medium duty cleaning: Dilute 1 part INDUSOL with 10 parts water. (ex: wax stripping, acoustic tiles, stoves, etc.)

For heavy duty cleaning: Dilute 1 part INDUSOL to 4 parts water. (ex: air conditioning units, concrete, brick, etc.)

Note: Do not use undiluted on composition floors, water based painted surfaces, glass or aluminum. Not recommended for use on galvanized steel. After use of this product, surfaces should be rinsed freely with water.
