

KNOCK IT OFF #1622

Aerosol Safety Solvent and Non-Flammable Brake Parts Cleaner

Features:

- Electrical cleaner and degreaser
- For use on all types of brake assemblies
- Degreases instantly with strong flushing action
- Helps eliminate squeal and chatter
- Removes brake fluid, oil, grease and dirt
- Flushes surfaces in one quick application without the need to disassemble the brake unit
- Dries residue free in seconds
- Nonflammable when dry

Description:

KNOCK IT OFF is a fast drying aerosol safety solvent cleaner and degreaser for use on electrical and industrial equipment and brake parts. It cleans metal, ceramic and baked enamel surfaces. This product removes grease, grime, oil and tar from most electrical parts and industrial equipment. Extends the life of brake components and improves brake performance.

Applications:

- Electric Motors
- Power Tools
- Starters
- Printing Equipment
- Disc Brake Parts
- Wrapping Machines
- Air Conditioning Equipment
- Air Filters
- CV Joints
- Engines
- Refrigeration Equipment
- Generators
- Cylinders
- Brake Linings, Drums and Pads
- Calipers
- Gears
- Traffic Signal Boxes
- Electric Fans
- Springs
- Tools
- Bowling Equipment

Product Characteristics:

Physical State:	Liquid
Form:	Spray Aerosol
Odor:	Ethereal
Boiling Point:	Estimated 121.4°C (101.325 kPa)
Freezing Point:	Estimated -22°C
Solubility (other):	Water: 0.2 g/l
Kinematic Viscosity:	No data available.
Dynamic Viscosity:	Estimated 891 mPa.s (20°C)
Flammability (solid/gas):	Noncombustible Liquid, but decomposes in a fire to hydrogen chloride and phosgene
Explosive Properties:	No data available.
Storage:	Store locked up. Protect from sunlight. Store in a well-ventilated place.
Transport Information:	
Proper Shipping Name:	Aerosols, non-flammable
UN Number:	UN1950
Class:	2.2
Packing Group:	II

Directions:

Remove or protect any rubber parts from overspray. Generously spray all other brake surfaces and allow powerful flushing action to rinse away contaminants. Permit surfaces to air dry or wipe dry with a soft, clean cloth. Extremely soiled assemblies may require repeat application or agitation.

Do not spray on warm or hot surfaces. Do not use on plastic or painted surfaces.
