

# NEW LIFE #2255

## Vinyl and Rubber Protectant Wipes

### Features:

- Antistatic ingredient repels dust to keep surface looking good longer
- Simply use and discard
- Low odor
- Cleans and polishes in one easy step
- Provides UV protection

### Description:

NEW LIFE wipes condition, beautify and protect vinyl, rubber, leather and plastic. Premoistened with an advanced water-based silicone formula, they clean and restore the surface's original shine quickly and safely. Contains UV protection to keep automobile surfaces, both inside and outside, from drying, cracking and fading from sun exposure. An antistatic ingredient repels dust and keeps surfaces looking new long after they've been cleaned.
