

PEE WEE #3314

Urinal Screen with 30-Day Deodorizing Capacity

Features:

- Contains no Petroleum byproducts
- Cleans and softens water
- Prevents splash
- Powered enzymes help keep drains open and free flowing
- Food Processing Acceptability: C1

Description:

PEE WEE is a urinal screen designed to prevent drains from clogging and to keep urinals clean and smelling fresh. Each block contains over 3 billion enzyme-producing biocultures that destroy odor-producing organic materials. PEE WEE urinal screens feature a raised holder to keep deodorant block dry, which lengthens block life. It is made from pliable plastic to fit the contour of any urinal, and offers break-off hooks for easy, sanitary replacement.

Applications:

- Urinals

Product Characteristics:

Physical State:	Solid
Color:	Blue, opaque
Odor:	Green apple fragrance
Specific Gravity:	1.7
Water Solubility:	Slightly soluble in water
Relative Density (20°C):	1.7 g/ml
Flash Point:	Not applicable
pH:	9.0-11.0 (1% solution)
