

# PINE KLEEN #2352

## Pine Scented Disinfectant

### Features:

- Contains 13.54% pure pine oil to effectively combat odors at the source
- Safe for use on all washable surfaces
- EPA registered
- Superior germicidal and fungicidal activity
- Food Processing Acceptability: C1

### Description:

PINE KLEEN is a pine scented disinfectant containing a very potent, broad-spectrum germicide, sodium ortho-benzyl-parachlorophenate, which boosts the power of nature's own disinfectant, pine oil. This clear, amber concentrate quickly forms a stable, milky white emulsion when added to water. It is a superior replacement to expensive 80% Pine Oil, because of its broad, germ-killing powers. PINE KLEEN supplies a refreshingly clean, pine odor to effectively combat malodors at their source.

### Applications:

- Restrooms
- Hospitals
- Schools and Childcare Centers
- Dumpsters
- Nursing Homes
- Meat and Poultry Plants

### Product Characteristics:

Appearance:	Clear liquid
Color:	Yellow/brown
Physical State:	Liquid
Odor:	Pine
Boiling Point:	Not available
Vapor Pressure:	Not available
Solubility (water):	Complete
Relative Density:	1.0
Flash Point:	132°F
pH:	11-12
VOC Content (Wt. %):	24
Storage:	Store locked up in a well-ventilated place.
<b>Transport Information:</b>	
UN Number:	Not regulated for non-bulk ground domestic shipments
Proper Shipping Name:	Not regulated for non-bulk ground domestic shipments
Class:	Not regulated for non-bulk ground domestic shipments
Packing Group:	Not regulated for non-bulk ground domestic shipments

### Directions:

Normal dilution is 1.5 oz. per gallon of water. For disinfecting of restrooms dilute 1 to 100 with water. For cleaning, dilute 1 to 10 with water.

Pour 1 part disinfectant into a pail. Add 100 parts of water (4 ounces disinfectant to 12 quarts water). Stir the milky solution before using. Apply solution with a sponge cloth or by mopping. Wet all surfaces thoroughly and allow to stand for 10 minutes, then rinse. Prepare fresh solution after each use. No rinsing required except on rubber or asphalt tile. Rinse for best shine on no-wax floors.

See product label for more information.
