

Product Accessories

Anchor-It Handgun #422501

- Designed for use with ANCHOR-IT
- Features a MK10 mechanism, which minimizes the effort required to dispense the epoxy and gives a 26:1 trigger ratio, which is 60% more powerful than most other guns of its type
- Cast steel drive
- Adjusts easily to various mix ratios
- Ergonomically contoured handle

Anchor-It mixing Nozzle #422601

- Nozzle for use with ANCHOR-IT that mixes the epoxy components as they go down the nozzle, so they are mixed when they come out of the end

Can Gun Aerosol Trigger #418601

- For use with aerosol cans
- Lifetime warranty
- Firmly snaps onto most aerosol cans and allows the user to pull a trigger handle to spray the can, reducing user fatigue
- 1 dozen per box
- Ergonomic handle and trigger and safety shield so can's contents cannot spray on user

Handy Spreader #422801

- Ideal to spread ice melting or lawn care products
- Covers area 6" to 12" wide with 6 pound capacity
- Adjustable output rate – 3 settings

Quick Fix Mixing Nozzles #496301

- Nozzle for use with QUICK FIX. It mixes the epoxy components as they go down the nozzle so they are mixed when they come out the end

Quick Fix Gun #496501

- Dispenser gun to be used with QUICK FIX
