

# SLIP-EZ BULK #2264

## Oil-Based Silicone Release Agent

### Features:

- Effective release agent that reduces friction
- Colorless, stainless, water-repellant
- Deposits a stick-free surface
- Odorless
- Helps speed production rates
- Preserves electrostatic build-up
- Works well on locks, windows and doors
- 15% active silicone

### Description:

SLIP-EZ BULK is an oil-based silicone release agent that is an excellent for use with all mold materials such as steel, aluminum, epoxy resins, rubber, concrete and elastomers. It has no corrosive or other harmful effect on the mold. This product provides a thin coating that will not degrade the quality of the concrete or asphalt, yet provides a surface that it will not stick to.

### Applications:

- Furniture Industry
- Wood Shop
- Vending Machines
- Rubber Industry
- Textile Industry
- Carpenters
- Plastic Industry
- Automotive
- Dump Beds
- Lumber Yards
- Packaging Equipment
- Processing Equipment

### Product Characteristics:

Appearance:	Clear liquid
Odor:	Solvent
Viscosity:	Not available
Melting/Freezing Point:	Not available
Vapor Pressure:	Not available
pH:	Not applicable
VOC Content (Wt %):	85
Relative Density:	0.8
Solubility (water):	Insoluble
Flash Point:	105°F
Storage:	Keep container tightly closed. Ground/bond container and receiving equipment. Store locked up in a well-ventilated place.
<b>Transport Information:</b>	
DOT:	Not regulated for ground domestic non-bulk shipments.

**DOT Placard:**  
Not regulated.
