

SOLAR SHIELD #1267

Aerosol Surface Protector and Restorer

Features:

- Water resistant
- Contains no harsh solvents
- Easy to use
- Dries fast
- Beautifies and protects
- Silicone based
- Cherry fragrance

Description:

SOLAR SHIELD is a concentrated blend of poly and silicone ingredients that provides a tough, protective film and protects various surfaces. This product is simple to use. Spray on and buff or let dry to a like-new shine. It leaves a waterproof coating after one application and contains special additives to inhibit cracking, fading and hardening. It protects surfaces from the harmful rays of the sun by keeping surfaces moisturized.

Applications:

- A/C Ducts
- Boats
- Tires
- Door Jams
- Bumpers
- Bumper Guards
- Body Moldings
- Engine Compartments
- Vinyl Interior & Tops
