

SUDS HAND SANITIZER #2181

Foaming Instant Hand Sanitizer

Features:

- Kills 99.9% of most common germs that cause illness in as little as 15 seconds
- Requires no water
- Moisturizes hands, nonirritating
- Contains no alcohol, nonflammable
- Pleasant fragrance
- FDA registered

Description:

SUDS HAND SANITIZER's active foam bubbles spread over hands much quicker than traditional skin sanitizers, making it far more advanced and effective than competitive sanitizers. In addition, current studies have shown that it provides a more thorough cleaning due to the expansive micro-foam coverage during sanitizing. SUDS HAND SANITIZER may be used when away from a water source or anytime you need hand sanitizing, especially when exposed to pathogens. Also available in a 50 ml bottle.

Active Ingredient:

- Benzethonium Chloride USP 0.13%
