

# SHIELD

## Broad Range Corrosion Inhibitor

**Directions:** Shake well before and during use. Spray on surface.

Keep out of reach of children

**Uses:** General purpose lubricant with excellent corrosion protection. Lubricate and protect machined parts, gears, bolts, hinges, bearings, etc.

**Contents:** Contents are pressurized. Use only as directed. Spray is extremely flammable. Do not apply to energized equipment. Do not spray near open flames, sparks, electric arcs or other potential ignition sources. Do not puncture, compact, incinerate, or store at temperatures exceeding 120° F (48° C). Exposure to heat may cause bursting. Use only with adequate ventilation. Intentional misuse by concentrating and inhaling contents is harmful and may be fatal.

**Contains:** Organic compounds (CAS Proprietary) and Corrosion Inhibiting compounds (CAS Proprietary). Propelled with A70, Propane and Isobutane (CAS 68476-86-8).

**First Aid:** Eye contact: Flush eyes with water for at least 15 minutes. Consult a physician. Skin Contact: Wash affected area with soap and water. If irritation persists, consult physician. Inhalation: Remove to an uncontaminated area, administer oxygen if necessary. If victim has stopped breathing administer CPR. Get medical attention. Ingestion: If swallowed, give large quantities of water. Do not induce vomiting. Get immediate medical attention.

For chemical emergency: spill, leak, fire, exposure, or accident, call Chemtrec day or night (800) 424-9300. For calls originating outside the continental U.S. (202) 453-7616 - Washington, D.C. collect.
