

SLIME-X #3900

Air Conditioning Condensate Pan Protector

Features:

- Fastest acting treatment ever
- Non-toxic and non-corrosive
- Helps prevent algae, fungi and Legionnaires' disease-causing bacteria from forming
- Eliminates additional maintenance as there is nothing to throw away
- Keeps drains clear, preventing pan overflow
- One tablet treats up to 5 tons for 90 days

Description:

SLIME-X tablets eliminate maintenance problems such as odors, overflows and water damage caused by plugging drains while preventing slime build up, pan overflow, odors, scale and corrosion. With one tablet treating up to 5 tons for 90 days, using SLIME-X is labor saving as there is no monthly maintenance and nothing to discard.

Transport Information:	
Proper Shipping Name:	Not available
UN Number:	Not available
Class:	Not available
Packing Group:	Not available

DOT Placard:

Not regulated.

VOC Compliant:

Yes.

Directions:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Initially, in order to clean out heavy accumulations, use at least two SLIME-X tablets in the condensate pan for each 5 tons.

Thereafter merely place one tablet for each 5 tons. Position the SLIME-X tablet so that moisture drips on or runs over the tablet, plating the pan for 90 days of positive prolonged cleaning action.
