

TRUE GRIT #2160

Waterless Hand Cleaner With Volcanic Pumice

Features:

- Biodegradable
- Cleans with or without water
- Does not thin out with heat or aging
- Contains pumice to remove grease, grime, oil and ink
- Fortified with skin conditioning emollients
- Food Processing Acceptability: E4

Description:

A small amount of TRUE GRIT will remove grease, dirt, paint, ink and many other soils. The volcanic pumice cleans with a gentle, scrubbing action. It is fortified with skin conditioners that protect hands from drying, cracking and chapping. This combination of high quality skin cleansers and mild abrasive pumice help loosen and lift embedded soils, leaving hands feeling fresh and clean.

Applications:

- Grease
- Ink
- Putty
- Oil
- Paint
- Carbon
- Tar
- Moly
- Asphalt

For Use By:

- Automotive Repair

- Warehouses

Product Characteristics:

Appearance:	Light green, semi-solid paste
Odor:	Bubble gum scent
Evaporation Rate:	<0.8 (Slow)
Specific Gravity:	0.884
Viscosity:	Thick
Boiling Point:	>212°F (100°C)
Flammability (solid/gas):	Not considered a flammable liquid by OSHA (29CFR 1910.1200)
VOC:	0%
Vapor Pressure (mm Hg):	23.8 mmHg @ 77°F (25°C)
% Volatile by Volume:	95%
Solubility(water):	100%
Flash Point:	Not available
Volatility Including Water:	95%.
pH:	7.65
Cold Stability:	>32°F
Storage:	Store in a cool, dry area. Away from heat. Keep container tightly sealed when not in use.
Transport Information:	
Proper Shipping Name:	Cleaning Compound, N.O.S.
UN Number:	Not regulated.
Hazard Class/Division:	Not regulated.
Packing Group:	Not regulated.

Directions:

Dispense sufficient quantity into palm of hand and apply to soiled skin areas, rubbing until product liquefies and all soil is loosened and dissolved. Work well into crevices in knuckles and fingernails. Wipe cleaned skin areas with a towel or rinse with water and dry, if desired. Repeat, if necessary, for extremely stubborn soils.
