

WEED OUT #2805

Non-Selective, Ready-to-Use Herbicide

Features:

- Controls weeds and grasses through foliage and root contact
- Soil sterilant
- Lasts a full growing season
- Fast burn-down of weeds
- Effective against most annual and perennial weeds and grasses

Description:

WEED OUT is a ready-to-use, solvent-based non-selective weed killer. It contains two active ingredients that provide double the killing power. Bromacil controls weeds through root contact and gives season-long residual control. 2,4-D controls weeds through foliage and gives immediate weed burn-down. This product is particularly effective in areas where undesirable vegetation is tall and well established. WEED OUT is designed to be applied undiluted as a spray on non-cropland areas where bare ground is desired. Available in 55 and 35-gallon drums, 5-gallon pails and 1-gallon jugs.

Applications:

- Foxtail
- Cheatgrass
- Turkey Mullein
- Bracken Fern
- Lambsquarter
- Ryegrass
- Broomsedge
- Johnson Grass
- Horsetail
- Crabgrass
- Wild Oats
- Ragweed
- Salt Grass
- Bouncing Bet

For Use By:

- Fence Lines
- Pipe Lines
- Bridge Abutments
- Loading Ramps
- Railroad Sidings
- Parking Lots
- Bleachers
- Storage Yards
- Around Building Foundation
- Road Signs
- Tank Farms
- Industrial Plant Sites

Product Characteristics:

Appearance:	Clear liquid
Odor:	Solvent
Boiling Point:	430°F
Vapor Pressure:	Not available
Melting/Freezing Point:	Not available
Water (Solubility):	Insoluble
Relative Density:	0.8
Flash Point:	125°F
VOC Content (Wt. %):	80
pH:	Not applicable
Storage:	Keep container tightly closed. Ground/bond container and receiving equipment. Store locked up in a well-ventilated place. Keep cool.
Transport Information:	
Proper Shipping Name:	Not regulated for ground domestic non-bulk shipments.
UN Number:	Not regulated for ground domestic non-bulk shipments.
Class:	Not regulated for ground domestic non-bulk shipments.
Packing Group:	Not regulated for ground domestic non-bulk shipments.

Directions:

See label for detailed instructions. To control most weeds for an extended period of time on non-cropland areas, such as parking lots, fence rows, loading ramps, railroad sidings, storage yards, around buildings and industrial plant sites, apply 0.9 gallons per 1,000 sq. ft. (39 gallons per acre).

Active Ingredients:

2,4-Dichlorophenoxyacetic acid 2-ethylhexylester...1.09%
Bromacil (5-bromo-3-sec-butyl-6-methyluracil).....0.98%
