

Features

- Ideal for spray, agitated immersion, and ultrasonic applications
- Neutral pH, non-butyl
- No VOC's
- Low foaming for use in auto scrubbers, aqueous parts washers, and spray cabinets
- Contains no phosphates, solvents, silicates or chelating agents
- Multi-metal corrosion protection
- Excellent for ultra filtration systems

Description

DEGREASE IT is a concentrated, odorless, non-butyl aqueous parts washer and degreaser for cleaning all metal parts and tools. Removes the heaviest of grease accumulations and quickly dissolves and flushes away grease and grime. Oil-splitting agent allows for easy grease and oil separation, generating a high degree of product recovery.

Applications

- Automatic scrubbers
- Parts washers
- Ultrasonic applications

Directions

Dilute 4-6 ounces per gallon for general degreasing and routine maintenance. Use at 130°-140°F in aqueous parts washers, spray cabinets, and ultrasonic units. If corrosion protection is desired, do not rinse. If residue-free parts are required, rinse with water.

Product Specifications

Appearance	Clear, red liquid
Odor	Odorless
Boiling Point	>212°F
pH Concentrate	9.7
Solubility in Water	Complete
Vapor Pressure (mmHg)	N/E
Vapor Density (Air=1)	N/E
Specific Gravity (H2O=1)	1.04
Evaporation Rate (Butyl Acetate=1)	N/A
Solids	10.0%
Flash Point (method used)	No Flash (standard)
Storage	Store in a cool, dry area. Keep from freezing. Keep container closed when not in use. Keep out of reach of children.
Transportation information	
Class #	55
Proper Shipping Name	Compound Cleaning Liquid, NOI
NFMC	48580-3

Health	1
Flammability	0
Reactivity	0
Personal Protection	B
