- Lotion soap is Food Processing Acceptable: E-4 and Kosher certified

Description

FRESH START is a blend of carefully chosen biodegradable cleaners formulated for hand cleaning without removing the invisible protecting oils. FRESH START cleans and conditions your skin with a luxurious lather, which is easy to rinse. Leaves your hands clean, soft and with a fresh scent. Available in two different formulas: pink lotion (general purpose) and antibacterial. There is also a hand sanitizer available for use in the Fresh Start Dispenser.

Applications

- Offices
- Industrial Plants
- Hotels
- Funeral Homes
- Health Clubs
- Police and Fire Departments
- Schools
- Bathrooms

Directions

Use a small quantity of hand soap. Rub briskly, working into palms of hands between fingers. Rinse thoroughly with water.
