

Tack It

#1260

Aerosol Heavy-Duty Adhesive Spray

Product Information Sheet

Features

- Fast tack and quick adhesion for temporary or permanent bonds
- High solids
- Non-staining and waterproof
- Contains no chlorinated solvents or ozone-depleting ingredients
- Transparent and flexible
- Hexane-free formula
- Temperature range -60°F to 450°F

Description

TACK IT is the highest performance wide web spray adhesive available. Excellent for both temporary and permanent bonding. TACK IT is perfect for uneven or porous surfaces and is waterproof, flexible, and transparent. It can be used on materials such as cardboard, polyethylene, sheeting, leather, most plastics and cloth. Spraying one side will create a temporary bond where as the treating of both surfaces will create a permanent bond.

Applications

- Plastics
- Wallpaper
- Cinder blocks
- Carpet
- Cardboard
- Leather
- Wood
- Cloth

Directions

Always shake well before using. Never aim valve at face. Hold can upright and apply adhesive in a side-to-side motion 10 to 14 inches from surface. For temporary bonds, spray surface, allow to become tacky, then bond surfaces together. For permanent bonds, liberally spray both the surface and material, allow to become tacky, then bond the surfaces together. Not intended for use on vinyl.

Product Characteristics

Appearance	Clear, colorless to light yellow
Odor	Solvent
Physical state	Gas/Pressurized liquid
pH	Not applicable
Viscosity	Not applicable
Freezing Point	Not applicable
Boiling Point	Not applicable
Flash Point	Not applicable
Evaporation Rate	Not applicable
Vapor Pressure	Not applicable
Vapor Density	Not applicable
Specific Gravity	Not applicable
Solubility in Water	Insoluble
Percent Volatile, wt%	Not applicable
VOC Content, wt%	53.2% (US federal/CARB/OTC/LADCO)
Storage	Keep out of reach of children. Keep container in a well ventilated place. Do not store in temps above 120°F.
Transport information	
Class #	60
NMFC	44620-5
Proper Shipping Name	Consumer Commodity, ORM-d

Health	2
Flammability	3
Reactivity	0
Personal Protection	B
