

Garage Sampler Pack #125801

The quality products in this sampler pack are perfect for servicing your vehicles!

Start under the hood by cleaning and protecting battery terminals with **Battery Saver** and using **CCC 57** to clean the carburetor and choke. Use **Brake Away** to clean all your brake parts, then clean up your air tools with **Peak Performance**, which lubricates as it cleans!

BATTERY SAVER

Aerosol Battery Terminal Cleaner & Protector

A one-step terminal cleaner and protectant that dissolves corrosion and neutralizes battery acid. Helps to eliminate power leaks. Color change indicates when all acid build-up has been neutralized. Surface is left treated with an anti-corrosion coating, which prevents build-up and helps to extend battery life after cleaning is complete.

COLOR INDICATOR SHOWS IT'S WORKING!

CCC 57

Aerosol Carburetor & Choke Cleaner

Cleans carburetors without disassembling. Ideal for both preventive maintenance and tune-ups. Dissolves and removes harmful carburetor and choke deposits that lower engine performance and increase fuel costs. Oxygen sensor safe and contains no chlorinated solvents.

IMPROVES ENGINE PERFORMANCE!

BRAKEAWAY

Non-Chlorinated, Fast Drying Brake Cleaner

This highly concentrated solvent blend provides maximum performance in a brake parts cleaner without the use of ozone-depleting or chlorinating solvents. Powerful blasting spray easily removes brake fluid, brake dust, grease, oil, dirt and contaminants. Evaporates quickly and leaves no residue. Can be used on any type of brake, assembled or unassembled.

POWERFUL BLASTING SPRAY!

PEAK PERFORMANCE

Aerosol Air Tool Cleaner & Lubricant

Oil in aerosol form that cleans, lubricates and reconditions air operated power tools. Enables air pressure to penetrate more freely, giving more power to tool. It eliminates calcium buildup from moisture in air lines and dissolves sludge, dirt, and dust accumulation. Used regularly for preventative maintenance, it will eliminate downtime and costly repairs.

EXTENDS LIFE OF AIR TOOLS!
