

GRAFFITI BLASTER #1962

Ready-To-Use Water Based Paint Remover

Features:

- Safe for use on most surfaces
- Non-flammable
- Biodegradable
- Removes oil and water-based enamel

Description:

GRAFFITI BLASTER is a ready-to-use, water-based paint remover that safely breaks down the bond between paint and the surface. Effective on spray paint, permanent marker, acrylic, primer, lacquers, sealants and oil and water-based enamels. This ready-to-use formula can be used on both hard and carpeted surfaces to remove unwanted paint without the use of harsh chemicals and toxins.

Applications:

- Aluminum
- Stucco
- Formica
- Brick and Tile
- Plastic
- Plexiglass
- Concrete
- Fiberglass
- Stainless Steel
- Metal Signs
- Stone
- Rock

Areas of Use:

- Locker Rooms
- Public Restrooms
- Fleets
- Bus Terminals
- Municipalities
- Utilities
- Sports Arenas/Stadiums
- Schools/Universities
- DOT
- Airports
- Train Stations
- Containers

Product Characteristics:

Physical State:	Liquid
Color:	Clear to slightly hazy
Odor:	Mild citrus solvent odor
Boiling Point:	100°C/212°F
Vapor Pressure:	As water
Specific Gravity:	0.99-1.03
Solubility (water):	Soluble
Flash Point:	122°F PMCC
Volatile Organic Compound (VOC), % wt:	VOC CARB Compliant, LVP exempt solvent system used.
pH:	5-6
Storage:	Store in a dry, cool place, away from heat source.
Transport Information:	
UN Number:	Not a hazardous material
Proper Shipping Name:	Not a hazardous material
Class:	Not a hazardous material
Packing Group:	Not a hazardous material

Directions:

Shake well before using. Test on all surfaces in an inconspicuous area before using. If surface mars, dulls, discolors, fades or fiber color transfers to a white cloth, do not use. Test all plastics before using.

For Brick, Concrete & Stucco:

1. Apply to problem area and wait 3-5 minutes.
2. Use a brush to loosen dried paint. Use hose to rinse off, and wipe clean with a towel.
3. For porous problem areas, use a high-pressure sprayer after Step 1.

For Hard & Soft Surfaces:

1. Spray problem areas and wait for one minute.
2. Wipe with clean towel.
3. Repeat if necessary.

DO NOT mix with bleach or use in conjunction with any household products.

DOT Placard:

Not a hazardous material.

VOC Compliant:

VOC CARB Compliant, LVP exempt solvent system used.
