

STATIC SHIELD #2893

Static Eliminating Wipes

Features:

- Special formula eliminates static to protect against loss of data
- Significantly reduces dust accumulation
- Can be used on almost any electronic equipment
- 30 wipes per canister
- Neutralizes static electricity
- Repels dust

Description:

STATIC SHIELD is specially formulated to neutralize static electricity. By doing so, these wipes reduce the risk of losing important data that is stored in computer hard drives, monitors and television screens. These wipes also repel dust, keeping sensitive equipment dust free for longer.

Applications:

- Telephone Ear and Mouth Pieces
- Office Equipment
- Computer Terminals
- Televisions
- Keyboards
- Fax Machines
- Copiers
- Printers
- LCD Screens

Product Characteristics:
