

**USED IN:** Sewage Plants • Service Stations • Garbage Trucks • Automotive Plants • Theaters • Locker Rooms • Rest Rooms • Schools • Restaurants • Office Buildings • Apartments • Nursing Homes • Hospitals • Commissaries

**USED TO:** Degrease Trucks • Declog Grease Traps • Remove Soap Scum • Clear Drains • Remove Adhesive • Clean Motors • Clean Equipment • Clean Fuel Oil Deposits from Metal Surfaces

#### DIRECTIONS

**TO DECLOG DRAINS:** Pour eight ounces of this product directly into drain. Let stand for one hour or more. Flush with hot water. For disposals, use the same procedure. **TO CLEAN AND DEGREASE SURFACES:** Dilute four ounces of this product into one gallon of warm water. Apply solution generously to surface to be cleaned. Let stand for five minutes. Rinse thoroughly. **FOR ODOR CONTROL:** Add two ounces of this product into one gallon of cold water. Apply through a sprayer to odor source. This product will immediately leave a fresh citrus scent.

Potable water rinse is required when used in federally inspected meat and poultry plants.

#### CONTAINS NO PETROLEUM DISTILLATES

**NOTE:** This product is a concentrated formula that may be harmful to plastics or painted surfaces. Always test surface in an inconspicuous area before using. Because this product is a powerful grease solvent, it will defat skin. This is an industrial strength concentrate. As with all products of this type, rubber or Viton® gloves are recommended with use. Store container closed and in an upright position when not in use.

**INGREDIENTS** (C.A.S. #): Orange Terpenes (5989-27-5), Nonionic Surfactant (9016-45-9).

**HMS RATINGS:** Health: 2, Flammability: 2, Reactivity: 0, Maximum Personal Protection: 6.

This product is designed exclusively for industrial and institutional use by trained personnel. This product is sold as is and the manufacturer makes no warranty, express or implied, of merchantability, fitness for a particular purpose or otherwise.
