

RINSE FREE #2872

No Rinse Floor Cleaner

Features:

- Contains the addition of enzyme fortification
- Cleans with cold water
- Biological floor cleaner that contains 5 strains of bacteria that survive in a temperature range of 45°F-120°F
- Improves traction and reduces accidents and falls
- Specifically designed to break down fats, oils and grease left in the pores
- Reduces unpleasant, stale odors
- Deep cleaning & rinse free

Description:

RINSE FREE is a neutral pH floor cleaner that combines grease cutting surfactants and non-pathogenic enzyme producing bacteria that breaks down and digests fats, oils and grease that other alkaline-based products leave behind. It continues cleaning the surface even after the floor is dry; lessening the chance of slips and falls while reducing odors. Cold water can be used with this product to clean, saving money and energy. Contains fast-acting enzyme fortifications that allow it to clean faster and deeper.

**Not for use on food contact areas.*

Applications:

Packing Group:	Not regulated.

DOT Placard:

Not regulated.

Directions:

Store in accordance with local regulations. Store in original container protected from direct sunlight in a dry, cool and well-ventilated area, away from incompatible materials and food or drink. Separate from acids.

1. Wipe up spills and sweep up loose debris from the floor, then dilute 2 oz. of RINSE FREE floor cleaner per gallon of cold water.
2. Using a clean mop, apply solution liberally to the floor.
3. Wait 5-10 minutes to allow sufficient contact time, then scrub with a deck brush.
4. Squeegee excess to floor drain and allow to air dry. DO NOT RINSE.

Avoid contact with disinfectants, boiling water or chlorine products.

Note: Do not use on food contact areas.
