

GET READY FOR SPRING WITH PRO-KOTE

PRO-KOTE #2555 ALL SEASON SURFACE REPELLANT

Do you have heavy-duty road, landscaping or grounds maintenance challenges? PRO-KOTE All Season Liquid Surface Repellant makes your task a breeze. It is the perfect enhancement to any lawn care program.

The liquid formulation is a specially formulated wax that prevents the accumulation of grass clippings, dirt buildup, clogging and wear and tear on lawn mowers, weed eaters, hedge trimmers, rototillers and other lawn maintenance equipment. It helps keep blades sharper longer.

PRO-KOTE protects a number of different surfaces from buildup and damage. It keeps food from staining smooth restaurant surfaces such as vinyl booths and plastic partitions (non-food contact surfaces only). It resists graffiti and other stains on plastic, fiberglass and painted surfaces. Use it on bathroom stalls to prevent staining and corrosion from urine.

Continue using PRO-KOTE into the winter months to prevent snow, slush and ice from sticking to snow removal equipment, plows, snowmobiles, snowblowers, ski equipment, snow shovels and more.
