

AirMatic #1358

Aerosol Metered Odor Neutralizer

Features:

- Programmable dispensing allows maximum cost control
- Both visual and audio indicators are provided to show when refill or battery needs to be replaced
- One aerosol can may be metered to last up to 168 days between refills
- Advanced formula delivers an effective, long lasting odor neutralizing solution

Description:

AIRMATIC contains powerful, odor neutralizing fragrances that dispel malodors from a variety of sources leaving a clean, fresh scent. Each can contains 3,000 metered sprays that continually freshens the air in an area of up to 6,000 cubic feet.

Available Fragrances:

- Tango
- Fall Harvest
- Cucumber Melon
- Linen Mist
- Sugar Cookie
- Big Red
- Mulberry Fusion

Applications:

- Offices
- Hospitals
- Nursing Homes
- Hotels
- Restrooms
- Schools

Directions:

Remove protective cap and install only in a Pro Chem AIRMATIC DISPENSER, which is positioned at least 8 feet from people, animals, food, drinks, feed, food processing surfaces or solvent-sensitive surfaces (including polished or varnished materials).
