

GREASE BLASTER #2427

Sewer Jet Line Cleaner

Features:

- Long lasting bacterial treatment
- Reduces solids and odors
- Easy- to-use liquid
- Non-caustic and is safe for all pipes and jet trucks
- Foaming treatment
- Highly concentrated at 2oz per gallon making it very cost effective and economical

Description:

Regular maintenance of sewer systems is an important part of a municipal sewer and collection department. Pro Chem's GREASE BLASTER is an economical, easy-to-use, foaming degreaser that was created specifically for this application. This foaming degreaser provides a long lasting bacterial treatment, resulting in a reduction of solids and odors.

When using GREASE BLASTER foaming action with the high pressure water of a sewer jet vacuum truck, it breaks down grease and organics from all types of pipes preventing sewer back-ups, manhole stoppages, obstructions in the lines and foul odors. It is non-caustic and is completely safe for use in your system and jet trucks.

Applications:

- Sewer Lines
- Lift Stations

Product Characteristics:

Appearance:	Red liquid
Odor:	Slight detergent
Boiling Point/Range:	>100°C/>212°F
Evaporation Rate:	<1
Specific Gravity:	1.02
Water Solubility:	100%
Vapor Pressure:	Not determined
Flash Point:	Not applicable
Flammability (solid, gas):	Liquid-Not applicable
pH:	8.0-9.5 (Concentrate)
Vapor Density:	>1
Storage:	Keep container tightly closed and store in a cool, dry and well-ventilated place. Store locked up.
Transport Information:	
UN Number:	Not regulated
Proper Shipping Name:	Not regulated
Class:	Not regulated
Packing Group:	Not regulated

Directions:

Add 1 to 2 gallons of GREASE BLASTER Sewer Jet Line Cleaner per 100 gallons of water. Dose material while jetting up the line. Wait 5 – 30 minutes, depending on conditions, and repeat if necessary, or add to lift station and force into sewer lines.
