

# HAND GUARD #1152

## Aerosol Protective Hand Barrier Cream

### Features:

- Concentrated and economical
- Easy to apply
- Forms barrier to prevent grease, soil and ink from penetrating the skin's pores and creases
- Minimal cleanup time – washes off with soap and water
- Contains lanolin to leave hands soft
- New citrus fragrance

### Description:

HAND GUARD aids in the protection of the skin from irritants such as inks, salts, acids, corrosive alkalis, solvents, gasoline and other chemicals. Forming a barrier to prevent grease, paint resins, soil and ink from penetrating the skin's pores and creases, this water-based, ready-to-use product offers protection for up to 4 hours. Excellent for working with small parts where gloves may be burdensome. Keeps hands cleaner, preventing bacteria from penetrating the skin and leaves no greasy residue. Formulated for the skin to breathe, this product can be used to reduce under glove perspiration and protection from latex. Approximately 320 applications per can.

### Effective Against:

- Acids
- Alkalis
- Solvents
- Gasoline
- Corrosive salts
- Grease
- Soil
- Ink

### For Use By:

- Printing Plants
- Chemical Plants
- Railroad Yards
- Airport Terminals
- Fleet Operations
- Bus Garages
- Shipyards
- Oil Rigs
- Industrial Plants
